\* Two years.

The year has been made memorable by the composition and stereotyping of the entire Bible in the New York Point System, at the instance of the American Bible Society, which has borne the expense of about three thousand dollars. This edition of the Bible is complete, in eleven volumes, and has been put on sale by the Bible Society in a neat oak book-case at a cost of \$11.50; without the case it is sold for \$7. The New Testament is in three volumes, and its price, for the three volumes, is \$1.50. These prices barely cover the cost of the paper.

The Society for Providing Evangelical Religious Literature for the Blind, whose managers are Right Rev. O. W. Whitaker, D. D., President, and George D. Boardman, D. D., of Philadelphia; Talbot W. Chambers, D. D., and William B. Wait, Superintendent of the New York Institution for the Blind, Prof. R. E. Thompson, D. D., of New York; R. S. Storrs, D. D., of Brooklyn, and Bishop Cyrus D. Foss, D. D., Vice-President, has continued the publication of the Sunday School Weekly through the American Printing House for the Blind. An edition in Roman or line letter, also one in New York Point, has been published regularly. This publication contains the International Sunday School Lessons; and, at the suggestion of Mr. H. L. Hall, the agent and manager of the society, the lessons for the vacation have been supplied to the various institutions in advance, so that copies could be distributed to the pupils, in order that they might attend their local Sunday Schools with well-prepared lessons, and keep up regular religious study during\* the summer vacation.

The new books for the year will be found in the appendix.

The New York Institution for the Blind has, as usual, used its quota under the direction of Mr. Wait in preparing and publishing music in point notation.

All of which is respectfully submitted.
